

How to reach INEOS Solvents Marl GmbH

 **Headquarter: Building 1878**

(Source: Chemiepark Marl, Evonik)

Approaching from **A2** motorway, take **exit 5 (Essen/Gladbeck)** and drive in the direction of **Marl/Dorsten**. You are now on highway **B224 / A52** where you drive approx. 17 km up to exit **Marl-Zentrum/Marl-Drewer**. After the exit, turn right into Rappaportstraße and right again at the streetlights into Paul-Baumann-Straße. Go ahead until the end of the street and turn left to Gate 1 ("Tor 1") of the Marl Chemical Park. Follow the red arrows in the graphics above to building 1878.

Approaching from the **A43** motorway (**Münster/Wuppertal**) take **exit 9** at interchange **Marl-Nord** in the direction of **Marl/Dorsten/Essen**. You are on the **A52**, where you drive until the third exit, **Marl-Zentrum/Marl-Drewer**. After the exit, turn right into Rappaportstraße and right again at the streetlights into Paul-Baumann-Straße. Go ahead until the end of the street and turn left to Gate 1 ("Tor 1") of the Marl Chemical Park. Follow the red arrows in the graphics above to building 1878.
